The 2021-2022 school year has been a year of change and improvement for the Omaha chapter of Delta Chi. Even through the COVID-19 pandemic has proven to be a prevailing obstacle, the men of Delta Chi fraternity have proven to be a resilient and productive bunch. Everyone from associate members to actives has been doing their part to strengthen the name and reputation of Delta Chi. This brotherhood has been up to the task whether it has been raising money for charity, serving the community, or being involved with other Greek life chapters on campus.

In the 2021 Fall Semester, Delta Chi had the pleasure of welcoming 17 new active members into the fraternity. The men who took the oath to join the brotherhood of a lifetime included Samy Sharif, Joseph Hughes, John Unruh, Caden Rinn, Kayden Wallis, Dan Guenther, Clay Hendricks, Will Ekborg, Nick Buresh, Quinn Prochaska, Tim Rosenberg, Grant Coleman, Max Tomes, Gavin Shea, Josh Varner, Baylor Winters, and John Voner. The Epsilon class has proven to be a great asset to the fraternity. Since becoming active members, 9 brothers from the Epsilon class have become chairmen and 3 of them have joined the executive board. The future of the fraternity looks bright with the new members taking so much initiative to make an impact. This class has truly embodied all the core values of the fraternity, and it is truly a reflection on the quality of our recruiters that we could pull in a group of upstanding gentlemen.

The excellent level of recruiting carried right over from the fall to spring semester. There are currently 14 associate members going through the process of becoming an active member. Recently completing their associate member retreat, the members of Zeta class are hoping to cultivate strong bonds and possibly be initiated.

This school year has been very productive in terms of serving community and raising money for our philanthropic partners. The Omaha Delta Chi chapter has continued a service relationship with Hanscom Park by cleaning the park. Another consistent service opportunity has been partnering with Kountze Memorial Lutheran Church to serve refugee families.

In addition to more service opportunities, the lifting COVID-19 restrictions have also afforded Delta Chi the chance to be more involved with other Greek life organizations. Our social chairmen, Samy Sharif and Will Ekborg have taken initiative to reach out to the other fraternities and sororities on campus to create some great events. We look forward to seeing what they have stored for the future!

Dear comrades let our voices mingle,
In strains that set our hearts a glow,
In songs that set our hearts a tingle,
The merry songs of long ago.
And if you ask me for the dearest,
Ill bid you raise your voices high,
And sing what to your heart nearest,
The praise of dear old Delta Chi.

MEET YOUR NEW EXEC BOARD

"Being President meant everything to me! I was able to grow as a leader and strengthen my bond with my brothers. I will always look back on this year with pride at the things we accomplished as a group: notably Chartering this summer and nearly doubling in size. Seeing the Chapter succeed was always my ultimate goal, and I look forward to the continuance of successful leadership under our next President, Anakin!
