This semester we have had an opportunity to recruit 12 amazing gentlemen who will be pinned on March 1st, 2020. These gentlemen include Brian Lacy, Dru Adair, Grant Kowalski, Hunter Haese, Jack Rafter, Jadon Beister, Jonah Schreiner, Justin Kies, Nate Weibel, Noah Brodersen, Owen Finn, and Tyler Knake. A big thank you needs to go out to our recruitment charimen Nolan Speicher and Jayden Brammier, both of these gentlemen have put in plenty of time and effort into finding an amazing group of gentlemen to enter into the Brotherhood of a Lifetime.

The men of Delta Chi on February 15th went to the Ronald McDonald House, our local philanthropy, and helped serve meals to the families at RMH. The men of Delta Chi helped prep, cook, and serve the families meals. Not only were initiated members present but a few associate members took time out of their day to donate time as well. There will be more events with RMH in the future.

On February 20 we had our first exchange of the year. We hosted an exchange with Sigma Kappa at Baxter Arena where our brothers ice skated with the women of Sigma Kappa. This was followed by dinner where our brothers were better able to connect with the women of Sigma Kappa. There are already plans to host another exchange with Sigma Kappa in the future.

Recently, a new Delta Chi colony has been established at Creighton and on February 23rd many of our members were given the opportunity to help pin the founding father class at Creighton. As it stands now Creighton was able to have 29 founding fathers pinned, and UNO Delta Chi looks forward to assisting these men in establishing their colony.

Dear comrades let our
voices mingle, In
strains that set our
hearts a glow, In
songs that set our
hearts a tingle, The
merry songs of long
ago. And if you ask me
for the dearest, Ill bid
you raise your voices
high, And sing what to
your heart nearest,
The praise of dear old
Delta Chi.
